# daily use toilet cleaner

delphis  
eco

Our EU Ecolabel accredited toilet cleaner is designed for a daily cleaning regime to inhibit limescale, rust and stains where germs and bacteria breed.

It can also be used to clean and deodorize all washroom surfaces such as floors, walls and showers. It's safe on chrome, porcelain, enamel and stainless steel. Scan the QR code below for more info.

## benefits

- ✓ fast acting
- ✓ viscous clinging formula
- ✓ citrus fragrance
- ✓ no aggressive mineral acids
- ✓ reduced impact on aquatic life
- ✓ reduced use of hazardous substances
- ✓ phosphate and phosphonate free
- ✓ safe in septic tanks if used as directed
- ✓ readily biodegradable
- ✓ not tested on animals

## areas of usage

- washrooms
- baby changing areas
- toilets
- public conveniences

## application and directions

**Toilets and urinals:** apply directly to affected area, brush and flush away.

**Washrooms:** dilute 1:10 parts water. For all hard surfaces including taps, sinks, showers, stainless steel, etc. Apply with a damp cloth to affected area, then wipe and rinse with clean water. For larger surface areas such as floors, use a mop and bucket.

**Proper dosage reduces costs and minimises environmental impact:** Using this EU Ecolabelled product according to the dosage instructions will contribute to the reduction of water pollution and waste production. The product is not intended for large-scale cleaning. Delphis Eco encourage users to reduce waste going to land fill by recycling empty bottles.

## technical data (typical values)

|                   |              |
|-------------------|--------------|
| Appearance:       | Green liquid |
| Odour:            | Citrus       |
| pH-neat:          | 2.1          |
| Boiling point:    | 100°C        |
| Water solubility: | Soluble      |
| Viscosity:        | Viscous      |
| Freezing point:   | 0°C          |
