

244NX

Compact and Cordless Scrubber Dryer

Fast • Effective • Clean

Our most advanced and exciting FloorCare technology

Numatic

244NX Compact Scrubber Dryer

The 244NX Compact Scrubber Dryer delivers fast, effective cordless cleaning across hard floors.

Often the only solution when cleaning in small and congested areas has been traditional mopping, typically leaving floors wet with inconsistent results. Lightweight and easy to use, the 244NX leaves floors clean, dry and safe whilst reducing labour costs by 70% and water use by 80%.*

- 70% Saving in Cleaning Costs
- 80% Lower Water Use
- Up to 80 mins Runtime
- 1 Hour Fast Charge
- NX300 36V Lithium Power
- “One Fits All” Battery

Park-up Feature

One-Pass Performance

*Time saving of 70% vs mopping / wage £11 per hour. 100sqm 7 days per week. Water use by 80% based on replacing 16L mopping system, cleaning 7 days per week.

Power and Innovation

One-Pass Performance

One-pass cleaning performance is achieved by applying brush pressure and powerful drive motors with the right amount of water in the right place.

Smart Water Use

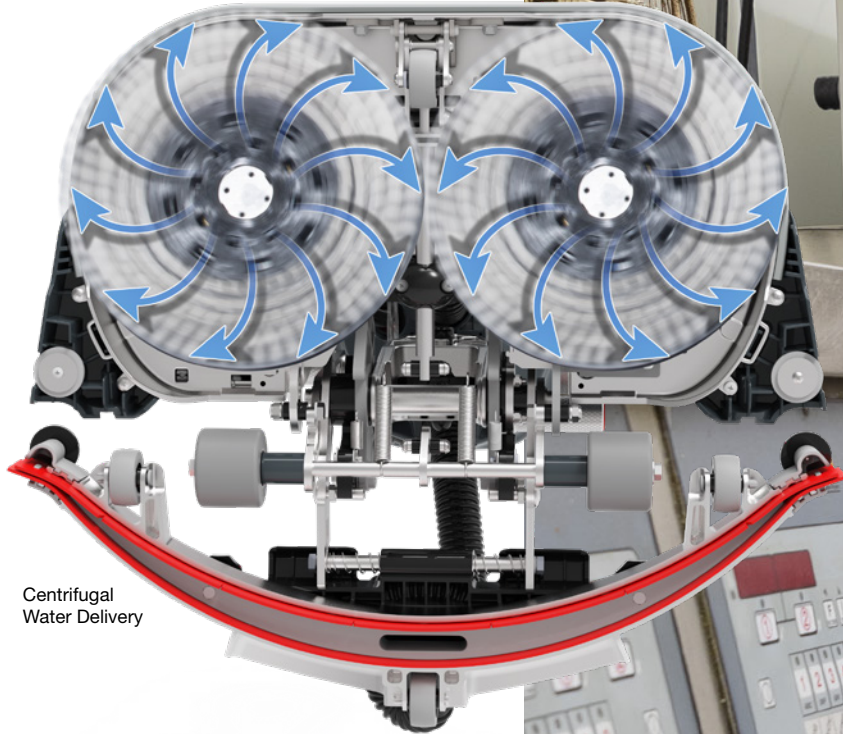

The direct water feed to the centre of the brushes distributes evenly and consistently across the cleaning area, delivering best in class water efficiency.

Powerful Brush Deck

Delivering controlled and lightweight handling with no messy spray from the twin motor aluminium brush deck.

Ultimate Versatility

Spotless and consistent results across all types of hard floors with a wide range of pads, brushes and accessories.

Centrifugal Water Delivery

NX300 Power

Powered by the NX300 36V lithium battery pack, the 244NX delivers on performance, runtime and fast charge. Packed with power, the 30 cell design incorporates our latest battery technology ensuring optimum performance and safety.

1 Hour Fast Charge

Recharged to 80% in just an hour* and ready to go for every product in the NX300 range.

Cost Effective

Made for the long haul, the NX300 won't let you down. Engineered and tested for commercial use, delivering up to 2500 charge cycles.

One Fits All Productivity

The convenience, safety and power of Pro Cordless with reduced costs and lower maintenance from a single battery and charger system.

Specifications

Model	Weight	Battery Capacity	Charge Time	Life Cycle	Power
NX300	2Kg	300Wh	1 hour - 80% 2 hours - 100%	Up to 2500	36V

*Higher ambient temperatures may increase charge time.

Low Profile Deck

Ergonomic and Simple to Use

Agile and lightweight handling easily navigates obstacles and congested areas, gliding over floors for controlled, effortless cleaning.

Designed for any user to be up and running in seconds, achieving consistent professional results. The 244NX offers user-simplicity in every sense, from initial set-up, daily use, maintenance and training. The ergonomic design incorporates features including “Park-Up” allowing users to easily move obstacles and a foot-operated floor tool eliminating frequent bending.

*Higher ambient temperatures may increase charge time.

Professional Accessories

Ultimate Versatility

With a wide range of pads and brushes available, you can achieve professional results whatever the cleaning challenge. Water tanks and floor tools are available with optional HACCP colour-coded accessories.

Nyloscrub Brush
Suitable for when lighter scrubbing is required.
Supplied as pack of 2. PN: 911931
Suitable for: • Light Scrubbing
• Daily Cleaning

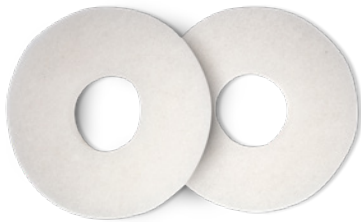

Long-life Scrubbing Brush
Can provide extended cleaning life in comparison to standard scrubbing brushes.
Supplied as pack of 2. PN: 913800
Suitable for: • General Scrubbing
• Daily Cleaning

PadLoc Drive Board
A simple, effective and easy to use system. Pads are located securely and perfectly centred every time. Supplied as pack of 2. PN: 911844
Suitable for: • General Use

Solution Tank
Additional solution tank to have on hand for extra cleaning.
PN: 911500

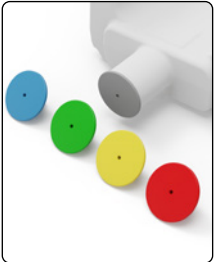

NuPad White
Delicate surface cleaning pad for hard floors.
Supplied as pack of 10. PN: 912354
Suitable for: • Ultra-light Use
• Delicate Cleaning

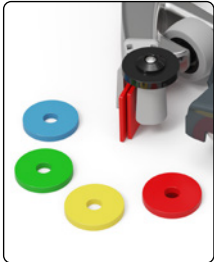

NuPad Green
Heavy-duty cleaning pad for hard floors. Removes dirt and scuff marks.
Supplied as pack of 10. PN: 912352
Suitable for: • Heavy-duty Use
• Daily Cleaning

PU-PAD
High-efficiency floor cleaning pads. Suitable for use on all hard floors. More durable and efficient than a conventional melamine pad. Environmentally friendly.
Supplied as pack of 2. PN: 912356
Suitable for: • Heavy-duty Use
• Daily Cleaning

Colour-coded Water Cap Set
HACCP colour-coding for effective infection control.

Colour-coded Wheel Discs
HACCP colour-coding for effective infection control.

Nu-Assist

Providing training is not always straightforward and can be time-consuming, complex and costly. The Nu-Assist App offers the benefit of online training through a simple, versatile and user-friendly solution, resulting in increased cleaning performance and productivity.

Multilingual Support

With Nu-Assist on-hand, you and your team have 24/7 access to multilingual training, troubleshooting and maintenance content from any mobile device, increasing cleaning productivity across the board.

How it works

1. Scan the QR Code on the Machine
2. Open in App or Mobile Browser
3. View Quick Start Videos
4. Carry Out Maintenance Checklist
5. Complete Operator Training

Download the App

Nu-Assist delivers multilingual training, troubleshooting and maintenance content, from one convenient App.
